THIS MONTH'S MESSAGE

Happy Mother's Day!

Although the dates and months differ worldwide, Mother's Day is always celebrated from country to country to honor our very special Mothers. This is our chance to pay tribute to one of those people who have had a great impact on our lives, someone whose unconditional love and caring knows no boundaries, a person who does everything to keep her children filled with happiness and joy.

Mother's Day is celebrated to honor all mothers and express gratitude for the hardships they bear in bringing up a child. The relationship that is always with us is the one we share with our mothers. They are our guiding force and are responsible for helping us to become who we are. They shape our lives and our personalities, and we give them credit for this. This is something we should do whenever the opportunity arises!

For those of you who do not have a mother, keep in mind that anyone who is very special in your life can also be celebrated to represent a mother

Group Healings & Lectures

We conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing. The lectures cover: Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation takes place. See the Calendar for the dates and times.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura. The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior

of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective, and just as powerful as a private session. It can even be stronger because the body is very open to receive energy while resting. Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

ANNOUNCEMENTS & TESTIMONIALS

(continued from Page 2)

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

To receive a Distance Healing with Ze'ev Kolman, please call 212-245-1715 Testimonials Welcome!

If you have experienced the healing hands of Ze'ev Kolman—or participated in a Workshop—and would like to share your experience with the subscribers of this newsletter (now 25,000+), please let us know. Your testimonial will only be edited for grammar and spelling. It is a great way to share with others what you have experienced. One of the best ways for people to know about Ze'ev Kolman is through the incredible testimonials that pour in.

If time does not permit a regular distant healing, I will sometimes do telephone healing. My eyes can be open or closed. The process and techniques are the same as in distant healing.

Testimonial

I wanted to write a few words about Mr. Zeev Kolman's Bioenergy treatments. In one word I could sum it up by simply saying AMAZING! I am an actress and I also work as an event planner, so as one can imagine how I need to be "on" pretty much all the time and have LOTS of energy!

I live in Los Angeles and Zeev is in New York, so mostly I have received energy from Zeev via absentee healing, and instantly I find myself feeling refreshed, rejuvenated and able to take on the day or night again.

I have noticed that it works emotionally and spiritually as well, because I always feel more confident, more centered and focused after a session. My outlook just becomes more positive as I feel more physical stamina and much increased vitality.

I can honestly say that Zeev's healing modality method surpasses anything else I have ever tried in terms of health and wellness benefits. In fact, I don't even think I can compare it to any other kinds of treatments. Once you try it, you will know what I mean by that. It is immediate, it is pleasant, and it is extremely powerful and beneficial.

Dear Ze'ev - My mother and I are doing well. The 4 healings you gave me earlier this month were extremely helpful and I am thankfully pain free. The pinched nerve in

my neck was incredibly painful, and now it's like I never had it!

My mother is doing very well and her doctors continue to be amazed at her recovery. She has not needed my help with her activities in quite some time. Her doctors never expected her to recover in the way she has. They thought at the very least that she would have limited mobility, but she is fine. She comes and goes as she pleases with no problems.

Thank you so much for leaving my name at the wall in Bethlehem. I keep the picture on my bookshelf so that I can see it and feel blessed by it every day. Ze'ev, your healing work has done so much for me and my mother, and I cannot thank you enough! Wishing you peace and blessings.
