Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

Dear Clients - Spring is finally here. Put away the winter jacket, scarves, gloves and the winter hats—and embrace Spring! Watch the beautiful trees blossom and enjoy the fresh breeze. Let's renew our energy of earth's cycle and raise the bar on our personal goals and intentions. Use this time to re-affirm and enjoy your goals for healing, growth, peace, and whatever else is on your agenda. But remember the holidays: Easter and Passover!

The earth transmits energy in the cycle of renewal. Use my energy as a catalyst to help you facilitate the direction of bio-energy to your enteric body, to unblock and restore vitality to your chakras or energy centers. Then your vital force can travel more effectively throughout every part of your body.

The subject of energy healing and unblocking energy centers might be foreign to some of you. This concept dates back to ancient Chinese and Indian-medicine concepts. They knew that the vital life force flows through natural pathways that may become blocked when stress occurs. Stress can be caused by many of life's experiences—emotional upsets, physical traumas, or mental anxiety. The trick is to release these blocks before any harm is done. I use my special gift to transfer bio-energy into your body's energy field system of chakras and meridians. This is something you usually feel immediately during a session. to static electricity, feathers brushing against their skin, or sand gently falling upon their skin. Most people usually feel the sensation immediately. The effects can also be felt sometimes after. It varies from person to person. If this resonates with you, give yourself a "Spring Cleaning."

This is the time for blessings. The holidays bring family and friends together to be grateful for what they have now in their lives and for hopes for a brighter future for all of humanity. Keep that in mind when you sit and think about what Easter or Passover means to you.

THE INDIVIDUAL'S AURA—OR TEMPLATE

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy and orderly, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of a person's aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Ze'ev Kolman actually directs his healing bio-energy. When the influence of this etheric body has totally ceased, as in death, the component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life

energy into the body. Patterns of illness occur at the energetic level before they become manifest at the cellular level. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of heat, while others experience no physical presence. The effects are the same.

Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

There are certain requirements for Distance Healing in order to be really successful.

TESTIMONIALS

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

To receive a distance healing, please call **212-245-1715**.

Testimonial

As a regular client of Ze'ev's, I arrived this morning to my bio-energy session. It had been 3-4 months since the last time I had a person-to-person session. I am heavily allergic and only need a trigger to have a big reaction. This morning I arrived literally under an allergy 'attack.' I could not stop sneezing and blowing my nose and it was difficult to focus.

I went under a deep relaxation during the bio-energy session, and I felt energy threads flowing around my head, even when Ze'ev was not working on it. When he started to work on my allergy, it felt like big electric threads coming out of my left

nostril first, and then my right nostril. Towards the end, it physically felt like threads of water were coming out of my nose! It was an almost unbearable tickling sensation, but my forehead felt clear, I stopped sneezing, and my nose stopped running. Ze'ev said that a lot of plasma came out of my nose.

I know I may need another session to further stabilize my system, but I certainly thank Ze'ev for having helped me today so that the allergy is bearable.

YOGA WEB SITE

It gives me great pleasure to announce the launch of a new Web site by a dear friend, Kathryn Howard. A true Yogini, she shares all the knowledge accumulated throughout her life about Yoga & Meditation. There are many categories—Breath, Postures, Relaxation, Meditation, Chakras, Moon Salutation, Sun Salutation, What is Yoga? and links to all of the top Yoga sites online.

There are nearly 1,000 pages that she provides at no cost. The product she sells on her site is a DVD and book combination. I saw the Yoga dance film and was transfixed. It is *really beautiful*.

This is the best How-To Yoga information I have seen anywhere, online or off!

To go to her site, which is being launched Friday, March 29th, go to:
