Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

May represents the 5th month of the year, and a very significant celebration this month is Mother's Day. We honor Mothers all over the world. It holds great significance for everyone. A mother is responsible for each one of us here on earth. Some people are very proud of their mothers, while others are disappointed. Let's put aside our differences this Mother's Days season and just focus on—and share love.

Love is such a powerful word, but it is easier "said than done." We can make it happen though. If your mother is no longer with us, just take some time out to remember the wonderful times you both shared as a family.

Mothers are a special gift. They will be there when you need them through fire and water.

Group Healings & Lectures

We usually conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures cover Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

ANNOUNCEMENTS

(continued from page 1)

This Mother's Day—take your mother, or someone else's mother who is important to you—to that special place and bless her with something wonderful. Share love, laughter, memories, and remember the good days.

My Dear Mothers: You have given so much to your children and grandchildren. Know that Mother's Day is your day to relax and meditate, to take your mind off anything that makes you uncomfortable or causes stress in your life. Mother's Day is just to set you free! On your blessed Day, you have permission to be free of all the negative energy in your life and around you. You are so special and you deserve to be free!

HAPPY MOTHER'S DAY!

A mother's love determines how
We love ourselves and others.
There is no sky we'll ever see
Not lit by that first love.
Stripped of love, the universe
Would drive us mad with pain;
But we are born into a world
That greets our cries with joy.
How much I owe you for the kiss
That told me who I was!
The greatest gift—a love of life—
Lay laughing in your eyes.
Because of you my world still has
The soft grace of your smile;
And every wind of fortune bears
The scent of your caress.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, or-

chestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

ANNOUNCEMENTS & TESTIMONIALS

(continued from Page 2)

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and also how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful (continued on next page):

To receive a distance healing with Ze'ev Kolman, please call: 212-245-1715

Absentee Healing, also known as remote healing/distant healing, is scheduled 7 days per week.

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial

This is a very precarious time with the economy slumping and unemployment skyrocketing out of

control. People are very tense. Some people are losing their way completely all over the world. I have found that when I get a distant healing from Ze'ev, that tension leaves me. I feel much more relaxed.

When you are afraid, your body is tense and healing is more difficult. It is good to learn how to relax. The bio-energy has a relaxing effect on everyone, and I know this firsthand.

There are too many negative physical experiences I have had to list them all, but Ze'ev has managed to eliminate them all—even Psoriasis! I have written about this before. It's hard to see someone suffer from this horrific skin condition and not tell them about what Ze'ev did for me. People don't believe it, but I know. I went to bed covered, and just as he said—it was all gone the next morning. I suffered my entire life and after a 15-minute session with Ze'ev—it disappeared the following morning. That was 4 years ago. Thank you Ze'ev! I love you!
