

Ze'ev Kolman

Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

I would like to discuss the importance of Bio-Energetic Healing. Bio-Energy works at the level of the subtle bodies to heal the most primary level of the cause of a disease. The body and its components all run on energy. The subtle bodies are various levels of energy that pervade and surround the physical body, and can be seen by the sensitive trained eye as an aura around the body.

Bio-Energy moves through the body in definite channels, most of which parallel the paths of the nervous system. This energy has been observed and described by many cultures. The East Indians call the energy Prana and the channels Nadis, while the Chinese call the energy Chi and the channels meridians.

Group Healings & Lectures

We conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing. The lectures cover: Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation takes place. See the Calendar below for the dates.

ANNOUNCEMENTS

There are seven major Energy centers in the body, called Chakras in Sanskrit. These Chakras correspond to the major endocrine glands. They act as relay systems between the physical and subtle bodies, transformers that mediate between the natural frequencies of the different energy levels. There are also numerous minor chakras throughout the various surfaces of the physical and subtle bodies.

Patterns of well-being and illness are duplicated in the body and aura. As a general rule, a clear, unbroken aura with bright colors corresponds to a healthy balanced state; a muddy, uneven aura indicates a disease. The aura changes continuously with mental activity and emotions, but there is an overall appearance that characterizes the health of an individual.

Conventional medicine only treats symptoms and the physical body. When the body improves, this is reflected in the aura. Bioenergetic healing treats the cause of the symptoms and corrects the aura. When this takes place, a balanced and healthy condition is reflected both in the body and emotions. *(Editor's note)* Ze'ev can see and adjust the energy in the aura and the chakras. His gift is remarkable. He is able to use his will to collect bioenergy, which is plentiful in the universe, and transmit this vital force to others through the aura. This corrects problems in the energy structure often before they manifest in the physical body.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman

refers to this as the aura. The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the

office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and also how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial

First I have to thank you, Ze'ev, for sharing your gift and keeping it affordable. I am Terry Noor and I want you to know all that you are doing for my 82-year-old mom, Engenia-Gne Noor.

Mom was diagnosed with emphysema and put on 4 liters of oxygen 6 1/2 years ago. She was told that she would never get better, but hopefully she wouldn't get worse. Doctors prescribed 12 medication, which we refill every month.

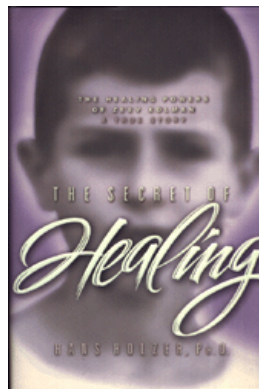

Day after day, mom walks from her room 15 steps to the couch, 11 more steps to the kitchen, stops to huff and puff, then takes 8 paces to her seat at the table. Out of breath, she's on 4 liters of oxygen.

On May 20, 2009, I talked my defensive, negative mother into attending a lecture/group healing meditation at Ze'ev Kolman's office. The morning after the healing meditation, she was instantly renewed. She walked from her room to the table without a stop. She was not out of breath. She cooked 3 days in a row. She felt no tightness in her chest. She has been chronically constipated for 40 years and her stomach fills with gas and bloating. After 3 days, that pain subsided and she was able to have a real elimination. Her hard, round tummy was deflated. She felt true relief for the first time in many years. Ze'ev infused her. She is now comfortable and at peace. Thank you Ze'ev!

Testimonials are a great way to share with others what is possible with bio-energetic healing. What you have experienced can help someone else.
