

Ze'ev Kolman

Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

I think of autumn as the time of new birth. The dying leaves smell of decay, yet they are also alive with odors that transform into a new place of matter and energy. I reflect on the change of autumn as a peak point of the Earth's Growth. The energy accumulated all summer is now transformed internally for its winter journey. We could use this time for a change in our lives, too. Various daily practices can help us with this. Whatever you choose, the intention from your heart is the most important. You have to believe in what you do.

Group Healings & Lectures

We conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing. The lectures cover: Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation takes place. See the Calendar below for the dates.

ANNOUNCEMENTS

(continued from Page 1)

This organic flow of changing energy right now can be a great catalyst to trigger a change in you. We all have issues that we need to change or work to resolve. The secret to longevity is adapting to our life's aging process. Nutrition and exercise are both the simplest way to adapt. Keep in mind that we are a body, mind and Spirit. Pay attention to your mind and spirit if you intend to achieve the maximum potential performance of your life.

When we are struggling with life, it doesn't seem to move forward. We probably carry excess baggage, bad memories from past traumas. Physically, our muscles can retain memories of stress as much as our minds do. It will help if you clear these things away. Remember, Bio-Energy can help you balance your chakras, clear your aura and send energy to those places that need it.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura. The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura

controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on

ANNOUNCEMENTS & TESTIMONIALS

how open you are to healing, and also how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial

Dear Zeev - I must have been meant to meet you today. I had never heard of you until last night exactly 24 hours ago. I have not smiled in a long time—in my heart. That was the first thing I noticed that happened on the table this afternoon. I was happy, at peace and there was a smile in me. Thank you.

As soon as I heard of you, I decided to call. When your secretary called me back and I said yes to an appointment with you, I had all sorts of misgivings and called to cancel the appointment.

It seemed to me I was betraying my Lord. Yes, I am very religious and very faithful. So I asked His permission if I could see you. And when I reached your office, I asked that if you were some kind of fake. I looked around your office and couldn't find anything to confirm that, so I calmed down—but was still very cautious.

What was funnier was the first sentence you spoke to me was about Jesus. You continued on as if answering all the questions I didn't ask. I let you speak, and then you told me you were of the same line as the House of David. My misgivings went further away and I decided to trust you. You were kind and gentle, not arrogant.

Isn't it funny that my husband and your wife happen to have the same last name? What were the chances? I have a lot of questions and perhaps one day we can have a long conversation.

I am not yet sure what the whole outcome of the first session with you will be, but I can tell you this ... I left as if on a cloud, so light, something

I haven't felt in years. And happy. I wondered if I would ever know the meaning of that word again. I went to eat in a restaurant. I wanted to go to a place I hadn't been. Suddenly I had new energy. I was scheduled to have a procedure tomorrow and fly out tomorrow night. I still am. At the end of my meal, the doctor called and said I was to have the procedure of retrieving my eggs immediately. I was so quiet, calm and peaceful, and for once NOT scared, but excited. If I hadn't come to you this morning, I don't think I would have been able to undergo that procedure so calmly. And with no anesthesia. I was not afraid and my body was able to deal with it.

The doctor retrieved two eggs and now I will wait. After the procedure, I am usually washed out for 2 days. I came home and cooked dinner for a couple I had invited to dinner and feel amazingly well. So again, thank you and God bless you. I am sure that it must take some sacrifice to do the work you do even though it must also be very rewarding. Thank you also for the book. It is very interesting. —M.A.
